### Wonder paste for universal cleaning 500 g display

Cleaning agent for all water and scratch resistant surfaces. Efficiently removes dirt, limescale, grease and food and soap residues. **Instructions:** Dampen a sponge or cloth with warm water and use this to clean the surface with the cleaning paste. Rinse with plenty of water and reapply when necessary. Caution! The cleaner is abrasive and should be used with caution. Test on an inconspicuous area first. With a fresh scent.
